ABOUT
PETER GUSTAFSSON INVITATIONAL

DEAR SPONSOR

First of all, I would like to thank you for taking time to consider being apart of
Peter Gustafsson *Invitational 2017*.

Our first objective is to create an event and a tournament in *Costa del Sol* which will grow in time and also to give the golf professionals another opportunity to meet interesting people and also to have the chance to make some money and keep chasing their dreams of playing big tournaments around the world.

The thoughts came together with a very good friend of mine, *Tommy Larsson*, who has been the organizer of *The Dubliner Pro Scramble* in Gothenburg for the last couple of years. In an attempt for me to try to find financial backing to chase my own dream, we are creating a big event where people can *meet and network*.

2017 will be the first year and together with our *sponsors*, we will try to grow and create an event which will be known all over the globe in time. This year the event will be played over 3 days at three different high rated golf courses and will be limited to a maximum of 18 teams.

YOUR BRAND IS OUR FOCUS

Best regards,
Peter Gustafsson
